PEST CONTROL SERVICES

Pest control is available each **Monday** and **Thursday** to perform spraying of your home. If you require an interior treatment, please stop by the Community Center and fill out a Pest Control Form. We cannot schedule your interior treatment until this form for your request is on file.

Sponsored Visitor Program

Due to increased security concerns and to better protect the Camp Pendleton community, Camp Pendleton will implement the sponsored visitor program (SVP) The SVP is for social visitors and officially designated volunteers, and simply replaces paper visitor passes with electronic databases. Visitors will present their driver license to the sentry at an installation access control point (gate) and identify who they are going to visit. The sentry will scan the driver's license and the scan will record the drivers name and license number along with the date, time, and location of entry. An instant background check through open public sources is also conducted.

Frequent visitors and official volunteers requiring access more than 3X in any 45-day period will require a Camp Pendleton sponsor to complete a visitor sponsorship form (VSF). VSF can be obtained and submitted at all gates and the Provost Marshall Office. VSF's allow an authorized person or organization to sponsor an individual for specified period of time up to 90 days. Once the visitor info is input into the SVP, The visitor will be allowed access during the sponsored dates simply by having their driver's license or state ID card scanned upon entry. Once that time expires or is revoked, the visitor will be not be allowed access until such time as another VSF is submitted and approved.

The Sponsored Visitor Program is for social visitors and officially designated volunteers ONLY, and not for anyone conducting business or employment aboard Camp Pendleton. Those people conducting any kind of business on Camp Pendleton must apply for a Camp Pendleton business pass or a Rapid Gate Business Pass.

For more info on the sponsored Visitor Program, please contact the Base Access Control Branch at (760) 725-0818.

If you need a full detail pamphlet about this Basegram you may pick one up at the DeLuz Housing Office.

* Please make sure you bring your own personal towel everytime you work out .

SNAKE AVOIDANCE

Camp Pendleton has 20 species of snakes, but only 3 are poisonous. All the poisonous snakes on Base are rattlesnakes. To avoid snake encounters clean up junk in your yard and keep vegetation neatly trimmed. Pet food left outdoors can attract rodents that may in turn attract snakes. Do not leave outside doors open, including the garage door.

If you find a snake in your building or your yard, call the Game Warden Office, phone 725-3360, and someone will remove the snake. Monitor the snake from a safe distance to help the Game Warden employee find the snake when they arrive. Do not try to kill or capture any snake on base.

Description: The San Diego County Fair is the sixth largest fair in the nation and is the largest annual event in San Diego County. This year the Fairgrounds will transform into "Music Mania", San Diego's biggest music festival, with 22 days and 8 stages.

LAKE O'NEIL EFMP PLAYGROUND

All Access Playground

Children and adults with mobility and other physical challenges not able to access most community playgrounds due to the materials used for the footings such as sand and the areas that have some access are limited in the variety of equipment. Additionally, equipment in a typical playground does not support interaction with children by adults with mobility issues such as those using a walker or a prosthetic limb. No existing 'rallying' point for families with special needs to come together and enjoy family time in the outdoors in a common setting. Limited use of current facilities for such things as accessible picnic tables and shaded play areas create barriers to community involvement.

Cleanliness of the property, We need all residents to please help keep DeLuz Housing clean

-Please keep your yards free of toys, trash and cardboard; and take your trashcans in after trash pick-up. **If your trashcan is left on the street after trash pick-up, DeLuz Housing can not be held accountable for replacement.**

- Keep your driveways clear of newspapers, in the event you are going on vacation have a neighbor pick-up your newspapers or donate your paper during that period.

- Keep porches and patios clear of trash and cardboard.

- Pick-up toys that your children take to the tot lots to play with.

- We have a cardboard and trash container located behind our maintenance and landscaping buildings that is open during normal working hours. Please do not leave items in front of the maintenance yard gate. If the gate is closed; please come back the next business day and dispose of your trash and cardboard items.

VANDALISM

DeLuz continues to have many senseless acts of vandalism to the tot lots and breaking of sprinkler heads. These are costly to repair and cut deeply into funds we would rather use in support of the community. Once a child or guest of a resident is identified, that resident will be charged for replacement parts and labor. Please help us stop this unnecessary damage by reporting those who are responsible.

LANDSCAPING CORNER

If you noticed any damaged or broken sprinklers in your area please call or notify us immediately.

Please help us conserve water by ensuring all sprinklers are working properly.
