Sponsored Visitor Program

Due to increased security concerns and to better protect the Camp Pendleton community, Camp Pendleton has implemented the sponsored visitor program (SVP) The SVP is for social visitors and officially designated volunteers, and simply replaces paper visitor passes with electronic databases. Visitors will present their driver license to the sentry at an installation access control point (gate) and identify who they are going to visit. The sentry will scan the driver's license and the scan will record the drivers name and license number along with the date, time, and location of entry. An instant background check through open public sources is also conducted.

Frequent visitors and official volunteers requiring access more than 3X in any 45-day period will require a Camp Pendleton sponsor to complete a visitor sponsorship form (VSF). VSF can be obtained and submitted at all gates and the Provost Marshall Office. VSF's allow an authorized person or organization to sponsor an individual for specified period of time up to 90 days. Once the visitor info is input into the SVP, The visitor will be allowed access during the sponsored dates simply by having their driver's license or state ID card scanned upon entry. Once that time expires or is revoked, the visitor will be not be allowed access until such time as another VSF is submitted and approved.

The Sponsored Visitor Program is for social visitors and officially designated volunteers ONLY, and not for anyone conducting business or employment aboard Camp Pendleton. Those people conducting any kind of business on Camp Pendleton must apply for a Camp Pendleton business pass or a Rapid Gate Business Pass.

For more info on the sponsored Visitor Program, please contact the Base Access Control Branch at 1-760-725-0818.

If you need a full detail pamphlet about this Basegram you may pick one up at the DeLuz Housing Office.

VANDALISM

DeLuz continues to have many senseless acts of vandalism to the tot lots and breaking of sprinkler heads. These are costly to repair and cut deeply into funds we would rather use in support of the community. Once a child or guest of a resident is identified, that resident will be charged for replacement parts and labor. Please help us stop this unnecessary damage by reporting those who are responsible.

Cleanliness of the property, We need all residents to please help keep DeLuz Housing clean

-Please keep your yards free of toys, trash and cardboard; and take your trashcans in after trash pick-up. **If your trashcan is left on the street after the trash pick-up day, DeLuz Housing can not be held accountable for replacement.**

- Keep your driveways clear of newspapers, in the event you are going on vacation have a neighbor pick-up your newspapers or donate your paper during that period.

- Keep porches and patios clear of trash and cardboard.

- Pick-up toys that your children take to the tot lots to play with.

- We have a cardboard and trash container located behind our maintenance and landscaping buildings that is open during normal working hours. Please do not leave items in front of the maintenance yard gate. If the gate is closed; please come back the next business day and dispose of your trash and cardboard items.

PETS

DeLuz Management has not changed policy for pets in DeLuz Housing. We remain a "No Pet Area ". This also includes pet sitting for friends, friends bringing a pet for the weekend, or relatives bringing their pets with them while they visit.

For information purposes - Basegram 53-09, which pertains to all residents of government-owned family housing and public private venture (PPV) privatized housing areas located on Camp Pendleton, identifies full or mixed breeds of pit bulls, rottweiler and canid/wolf hybrids as aggressive breeds that present an unreasonable risk to the health and safety of personnel and bans such dogs from Marine Corps installations. Owners of such animals are responsible for identifying that their animals are subject to the provisions of MCO P11000.22 by either knowledge of the animal's ancestry or by submission to a DNA test. A copy of this Basegram may be picked up at the Community Center.

PEST CONTROL SERVICES

Pest control is available each **Monday and Thursday** to perform spraying of your home. If you require an interior treatment, please stop by the Community Center and fill out a Pest Control Form. We cannot schedule your interior treatment until this form for your request is on file.
