Our Deployed Service Member Care Packages

Our President's Message

Happy New Year! I hope the start of this year finds you and your loved ones healthy and happy. I wanted to take this time to thank all of you who participated in the collection of toys for the U.S. Marine Corps Reserve Toys for Tots program. Twenty-six of our

communities across the U.S. participated and collected thousands of toys for this program that brings holiday joy to more than seven million disadvantaged children each season. Hunt is proud to support this holiday tradition, and we're grateful for your generosity. As we enter the new year, we are partnering with the American Red Cross to help address the critically low blood supply levels. If you are healthy, we encourage you to consider donating blood. For those who have recovered from Coronavirus, donating your plasma can help up to 4 coronavirus patients in need. For other ways you can help, go to www.redcross.org. Watch for information on mobile blood donation locations in January and February within our communities.

Best,

John Ehle

Holiday Cheer For Those Overseas

As a special holiday gift to our deployed Service Members, we mailed care packages overseas. We recognize being separated from your family is difficult and we hope when the care package was received we spread some holiday cheer.

Thank You To SCARWF

Thank you to the volunteers from SCARWF who donated 75 turkeys, pies, and all the sides. Every year they bless our families with everything they need to prepare Thanksgiving dinner.

Friendly Reminder

Our core value is safety. Do you know the warnings from your smoke detectors? If it chirps once the battery is low, contact the office and we will submit a work order to drop off replacement batteries. If it chirps 3 times in a row that indicates the unit is faulty and must be replaced. Contact the office who will submit a work order. If the alarm sounds please call 911 immediately for the fire department and contact maintenance. 844.887.6840
