RESIDENT REVIEW

"Our time living in De Luz was truly an incredible experience, and I cannot say enough positive things about the community, the staff, and the level of service we received.

A huge thank you to Daisy, Rachel, and Tina for everything they did for our family. They are the heart of the administrative side of De Luz. From the very beginning, they helped make our move-in process smooth, answered every question we had, assisted with inspections, and were always welcoming, professional, and positive. Their customer service went above and beyond, and every interaction left us feeling valued as residents." **-5 Star Google Review from Avery L.**
