COMMUNITY DIRECTOR UPDATE

NOVEMBER 1, 2026

Thanksgiving Office Closure Reminder
Our office will be closed on Thursday, November 26, in observance of Thanksgiving.
We will reopen and resume regular business hours on Friday, November 27.

A SEASON OF GRATITUDE AT DE LUZ!

As November arrives, we're reminded of the many reasons we have to be thankful. Most importantly, we are grateful for the residents who make De Luz a welcoming and vibrant community.

In observance of Veterans Day, we extend our heartfelt appreciation to all veterans, active-duty service members, and military families for their dedication, service, and sacrifice. Your commitment to our nation inspires us every day.

Exciting improvements are on the way! The dog park is currently closed until further notice while renovation work is underway. We appreciate your patience as we work to enhance this amenity for our residents and their furry friends.

Our annual tree trimming project is currently in progress. Tree trimming crews will be working throughout the community **Monday through Friday from 8:00 AM to 3:00 PM.** To help ensure the work can be completed safely and efficiently, please relocate vehicles from any posted or marked areas as directed. Thank you for your cooperation.

Maintenance Tips: HVAC & Thermostat Settings
Proper thermostat settings help maintain a comfortable home and protect your HVAC system.

- Keep your air conditioning set to "Auto" or "On" when doors and windows are closed.
- Turning the system off can create excess humidity, which may contribute to mold and mildew growth.
- Maintain indoor temperatures between 68°F and 73°F during winter and 72°F and 76°F during summer for optimal home comfort and system performance.
- Thermostats are programmed and maintained by our service team with a minimum setting of 68°F. Please do not attempt to unlock or alter thermostat restrictions, as temperatures below 68°F can damage HVAC equipment and lead to costly repairs.
