

THANK YOU FOR A SUCCESSFUL 2016!

2016! Our year in review:

So far this year, we have welcomed 398 new families to the community and sadly saw 408 off to new adventures! We hosted over 68 family friendly events. Re-Grand Opening of the Dog Park and the DeLuz Community Center Playground. DeLuz partnered with various organizations in giving back to the DeLuz Community families and the local San Diego community.

Thank you for your participation in all of our events. In addition, helping us achieve our annual CEL survey goal!
