January 2018

## Did You know January is National Blood Donor Month?

If you did not know, January is National Blood Donor Month. You don't need a special reason to donate. You just need your own reason. Some of us donate because of someone they may know. Some donate as a way to give back. Some believe it is the right thing to do. Whatever your reason, the need is constant and by donating helps someone in need and can change a life! Deluz will be hosting the Deluz Neighborhood Blood Drive coordinated by San Diego Blood Bank. (Date in "Dates to Remember Section").
