DR. SEUSS'S BIRTHDAY!

We won't have green eggs and ham, but we will be serving up some fun green popcorn! We encourage you to stop by the Community Center March 2nd 2pm-4pm

Lawn Care and Yard of the Quarter!

With spring right around the corner, we'll soon see blooming flowers and lush green grass! Our new contractors, Wallace Landscaping, have been busy adjusting sprinklers and will continue to beautify the common areas. Please do your part by keeping your enclosed back yards trimmed, clean, and free of pet waste.

Our Yard of the Quarter winner will be announced on March 30th so make sure your front porch and garden area shine! Just post your picture to the Facebook announcement thread. Most votes wins bragging rights, certificate of appreciation, and \$50 gift card!
